The Rules of Being THIN

- (1) Those that are thin, are attractive.
- (2) Those that are very thin, are very very attractive.
- (3) Being thin is more important than being healthy.
- (4) Buying clothes that are a size too small, cutting your hair short, starving yourself etc are small prices to pay in the pursuit for perfection.
- (5) If you eat you should feel extremely guilty.
- (6) If you eat fattening food you must punish yourself afterwards.
- (7) Counting and restricting calories is a daily must.
- (8) What the scale says is what your life must revolve around.
- (9) Losing weight is great/ gaining weight is a sin.
- (10) It is impossible to be too thin.
- (11) Being thinner and not eating are signs of true will power, success.
- (12) Weight loss is a sign of being on the right road to perfection.
